

# **Course Syllabus: Strategic Grantmaking**

## **What This Course Is About**

This course helps us learn how to make grant money fair, kind, and useful for everyone. We learn how to give power back to people and communities who were left out.

## **How the Course Works**

Each lesson includes: -  A short reading or video -  A step-by-step task -  Reflection questions -  Time to share your ideas

You will get: -  Easy-to-read documents -  Picture cards with symbols -  Forms that work with communication tools

## **What You Will Learn**

You will learn to: -  Notice if a grant is fair or unfair -  Think about who has power -  Make grants easier for more people to use -  Share your own ideas in safe ways

## **How To Do Well**

- Read or listen to each lesson
- Share your answers or pictures using the form
- Ask for help if something is not clear
- Go at your own pace. You can take your time.

## **Need Help?**

You can ask a helper, teacher, or friend. You can also use your device to say what you need.
